

SAUVIGNON BLANC 2022 NORTH COAST

WINE PROFILE

Pale straw-yellow in color. Fragrant and expressive; vibrant aromas of lemongrass, pineapple, and guava meld with subtle undertones of honeycomb and tart citrus. The palate opens with notes of melon, ripe pineapple, and crisp green apple. These flavors round on the finish with a gentle touch of mineralogy. Bright acidity ties all the flavors together and this wine is best enjoyed chilled. This wine pairs wonderfully with crab cakes, smoked salmon, lemon chicken or spicy Caribbean fare.

TERROIR

The North Coast AVA is an American Viticultural Area in the state of California that encompasses grape-growing regions in six counties located north of San Francisco: Lake, Marin, Mendocino, Napa, Sonoma, and Solano. This large appellation covers over 3,000,000 acres and includes a number of smaller sub-appellations that all share the common ecology trait of weather affected by the fog and breezes off the Pacific Ocean. Vineyards closer to the coast will receive more moisture from the coastal fog, and create wines with a delicate and nuanced flavor profile. Those vineyards further inland experience much warmer day time temperature and develop into wines with bolder flavors and acidity, with a big punch of color. The ability to create unique blends from within this region gives our winemaker the opportunity to take advantage of all the benefits from this unique AVA and develop wines that have distinct color, aroma, flavor and mouthfeel.

NATURAL WINEMAKING

Grapes were pressed as whole clusters and then fermented the juice in stainless steel tanks. This tank fermentation method allows the wine to capture Sauvignon Blanc's lively fruit expression and bright, crowd-pleasing acidity.

WINE REVIEWS

90 Points

"Notes of green apples and apricots with hints of guava, fine herbs and jasmine. Medium-bodied, juicy and fresh, Sleek and textural. Flavorful finish."

P PROVENANCE VINEYARDS

TRUE TO OUR ORIGIN

Provenance Vineyards began in 1999 producing Rutherford Cabernets. Its founders had the vision to produce fine wines by discovering Napa Valley vineyards of unique "provenance" or origin. Over two decades, the brand was bought and sold twice and passed through the hands of two large corporations.

RETURNING TO CLASSIC FAMILY ROOTS WITH ITALIAN STYLE

Allen and Tiana Lombardi acquired Provenance Vineyards in November 2021 to infuse this iconic Napa Valley brand with the energy it deserves. They were attracted to its rich history, classic style and strong growth potential. They connected with the brand's polish without pretense.

AJ, Ava, Allen, Tiana and Matthew Lombardi

The family will hold true to Provenance's purpose to produce timeless wines with a distinct sense of origin - celebrating the amazing wine regions of California.

The Lombardi family looks to build the next chapter of the Provenance legacy by increasing its U.S. distribution and introducing this fine wine globally.

NATURAL WINEMAKING SHOWCASING SENSE OF PLACE

Head of Winemaking Noel Basso has more than 20 years of experience with California vineyards and grapes. He is returning the brand to the purist philosophy of Founding Winemaker Tom Rinaldi, focusing on working in the vineyards and taking an unwavering grape-quality approach to each varietal. Minimal winemaker intervention allows the character and personality of the grapes to steal the show.

Today, the Provenance Vineyards wine portfolio includes North Coast Sauvignon Blanc, Napa Valley Merlot, Napa Valley Cabernet Sauvignon, and Fortitude Napa Valley Cabernet Sauvignon. We have also expanded our Deadeye brand to include a Napa Valley Red Blend, Paso Robles Cabernet Sauvignon, and a Monterey County Chardonnay.
